SECTION 1 INTRODUCTION

1.1 Introduction

The Board of Trustees of the University of Arkansas, acting for and on behalf of the University of Arkansas - Fort Smith (“the University” or “UAFS” or “Client”), seeks proposals from qualified, experienced, licensed, financially sound, and responsible contractors to provide labor, equipment, necessary and qualified staff, and supervision for management of an on-site health clinic for the benefit of eligible UAFS students.

Proposals shall be in accordance with the terms, conditions, and requirements set forth in this Request for Proposal (RFP).

1.2 Purpose

This is a rebid of current services. HealthSmart has operated the Powell Student Health Clinic on the UAFS campus since 2018. This contract expires 6/30/24.

The intent of this RFP is to allow all interested firms to provide enough information that will enable UAFS to determine which Respondent can provide the best overall value to the University.

This RFP incorporates a two-step selection process for award of the Student Health Clinic described herein. The University may select one or more Respondents deemed as finalists for inclusion in the second step based on the initial review and evaluation of the proposal responses.

In the second step of the process, the finalists shall be required to provide additional information. The request for additional information may include a response to questions for each Respondent selected in this second step, further pricing information, interviews, a best and final offer, and any other information deemed necessary by UAFS. Award will be made to the firm whose proposal conforms to this RFP and, in the sole judgement of the University, will be the most advantageous to UAFS.

By submitting responses, each Respondent certifies that the full knowledge of the scope and nature of the opportunity described in this RFP has been understood. Each Respondent also certifies that all costs relating to preparing and responding to this RFP will be the sole responsibility of the Respondent.

1.3 Term of Contract

UAFS seeks to enter into a term contract beginning on July 1, 2024. The initial term shall be up to four (4) years, renewal upon mutual agreement not to exceed an aggregate total of seven (7) years. 1.5 Institution Summary

The University of Arkansas at Fort Smith was established in 1928 as a junior college extension of the public-school system. Most of its history is that of a two-year institution that has operated under several names including Fort Smith Junior College, Westark Junior College, Westark Community College, and Westark College. On December 15, 2000, the respective governing boards of Westark College and the University of Arkansas System entered into an agreement to merge Westark with the System as a four-year, baccalaureate institution. UAFS became a four-year university and joined the UA System on January 1, 2002.

UAFS is one campus with 922 total employees (575 full-time, 347 part-time). Today, UAFS is the third largest of the five universities in the University of Arkansas System and the sixth largest of the state’s four-year institutions.

In the fall of 2015, UAFS offered its first graduate degree, a Master of Science in healthcare administration. In 2019, it launched its second graduate degree, a Master of Education with emphasis areas of English and curriculum and instruction.

The University of Arkansas at Fort Smith is a vibrant mid-sized public university dedicated to breaking the higher education mold by bringing truly transformative, hands-on experiences to every student. From high school seniors to senior professionals, first-generation students to “second chancers”, our goal is to provide a high-quality, future-focused education that honors each student's unique, personal situations and goals. Our tiered approach to learning offers students access to more than 80 degree plans and programs including certificate, associate, bachelor's, and master's degrees. We seek to recruit and retain a diverse workforce as a reflection of our commitment to serve the diverse population of Arkansas, to maintain the excellence of the University, and to offer students richly varied disciplines and perspectives.

The UAFS campus is comprised of 77 buildings and facilities located on 170 beautifully manicured acres and crowned with the Donald W. Reynolds Campus Plaza, Tower, and Campus Green. Students who choose to live on campus may do so in one of two residence hall complexes, complete with a full-service dining center, or the on-campus apartment complex for married students and upper-class students. Campus involvement is encouraged by participation in more than 100 registered student organizations, which includes academic societies, a dynamic Greek life system, intramural sports, and cultural/special interest groups. The UAFS Lions compete in the NCAA Division II Lone Star Conference in men’s baseball, women’s volleyball, and men’s and women’s basketball, golf, cross country, and tennis.

Eligible students are UAFS students in good standing in University credit courses, regardless of the number of hours enrolled. Excepted from this definition of eligible students are WATC students, University faculty and staff enrolled in credit courses, and students enrolled in non-credit classes. UAFS will provide each eligible student with a student identification card.

Eligible students under the age of 18 are required to have a signed letter of consent on file in order to be treated at the Clinic. These consent forms are maintained at the Clinic.

2.4 RESPONSIBILITIES OF VENDOR

CONTRACT EXECUTION DEADLINES

Due to recent Arkansas mandates that require legislative review and approval of certain contracts, the University cannot agree that any contract is void if not fully executed by a vendor-established deadline. The University will ensure that all reasonable efforts are made to process the award as quickly as possible.

FORMATION OF THE AGREEMENT/CONTRACT

At its option, the University may take either one of the following actions to create the agreement between the University and the selected Vendor:

- A. Accept a proposal as written by issuing a written notice to the selected Vendor, which refers to the Request for Proposal and accept the proposal submitted in response to it.
- B. Enter negotiations with one or more firms in to reach a mutually satisfactory written agreement, which will be executed by both parties and will be based upon this Request for Proposal, the proposal submitted by the firm and negotiations concerning these.

Because the University may use alternative (A) above, each Bidder should include in its proposal all requirements, or terms or conditions it may have, and should not assume that an opportunity will exist to add such matters after the proposal is submitted.

CONTRACT TERMS AND CONDITIONS

This RFP shall govern any contract issued resulting from the RFP. Additional or attached terms and conditions, which are determined to be unacceptable to the University, may result in the disqualification of your proposal. Examples include, but are not limited to, indemnification statements, subjugation to the laws of another state, and limitations on remedies. If the Vendor submits standard terms and conditions with the proposal, and if any of those terms and conditions conflict with the laws of the State of Arkansas, the State laws shall govern.

The contents of this RFP will be incorporated into the final contract documents. The following order of precedence shall apply:

1. Agreement
2. Proposal
3. RFP

STANDARD OF PERFORMANCE

The Vendor shall perform according to the terms and conditions as stated herein, and according to the highest standards and commercial practices of providing the described services. Instances of poor performance by the Vendor will be documented and submitted to the Vendor for immediate review and corrective action. Continued poor performance will be deemed a breach of the specifications of the RFP and shall be grounds for immediate termination of the contract. A review meeting will be held between the Vendor and the University when documented instances of poor performance occur and a plan for corrective action agreeable to both parties will be drafted and implemented. The University retains the absolute right to assess whether and when performance is subsequently acceptable.

APPROVAL BY ARKANSAS GENERAL ASSEMBLY

Bidders agree and understand that, if awarded a contract as a result of this RFP, approval of the resulting contract or any amendments to the contract may be subject to review and/or approval by the Arkansas General Assembly and/or any committee or sub-committee of the Arkansas General Assembly in its or their sole discretion. Bidders further agree that in the event such legislative review or approval is not granted or is otherwise withheld, any award under this RFP shall terminate automatically with no penalty to University of Arkansas at Fort Smith.

LIABILITY

Pursuant to Article 12, § 12 of the Arkansas Constitution, the University may not enter into a covenant or agreement to hold a party harmless or to indemnify a party from prospective damages. The parties are responsible for their own negligent conduct and that of their respective officers, employees, agents, and designated representatives acting within the official scope of their position.

GOVERNING LAW AND VENUE

The laws of the State of Arkansas shall govern in connection with the formation, performance, and the legal enforcement of any resulting contract. The place of execution and venue governing the resulting agreement is Pulaski County, Arkansas. All matters relating to the validity, construction, interpretation, and enforcement of the agreement shall be determined in Pulaski County, Arkansas.

SOVEREIGN IMMUNITY

The University is an instrumentality of the State of Arkansas and is entitled to sovereign immunity. The parties agree that all claims, demands or actions for loss, expense, damage, liability or other relief, either at law or in equity, for actual or alleged personal injuries or property damage arising out of or related to the agreement by the University or its officers, employees, agents or designated representatives acting within the official scope of their position, must be brought before the Claims Commission of the State of Arkansas. With respect to such claims, demands, or actions, the University agrees that: (a) it will cooperate with the Vendor in the defense of any claim, demand or action brought against the Vendor seeking the foregoing loss, expense, damage, liability or other relief; (b) it will in good faith cooperate with the Vendor should the Vendor present any claim, demand or action of the foregoing nature against the University to the Claims Commission of the State of Arkansas; (c) it will not take any action to frustrate or delay the prompt hearing on claims of the foregoing nature by the said Claims Commission and will make reasonable efforts to expedite said hearing. The obligations of the paragraph shall survive the expiration or termination of the agreement. Nothing in the agreement between the Vendor and the University shall be construed as a waiver of the University's sovereign immunity or the University's right to assert in good faith all claims and defenses available to it in any proceeding.

ATTORNEY FEES

Neither party shall be liable to the other for any payment of attorney fees or costs on any claim, demand or action related to or regarding the validity, construction, interpretation, breach, or enforcement of the agreement.

NOTICE

Notice to the University required or permitted by the agreement shall be effective upon receipt. In addition to any notice provisions specified in the agreement, all notices, requests and other communications required or permitted to be sent under the agreement, including any notice of demand, claim or breach against the University, shall be in writing and shall be delivered personally; or by facsimile (provided such delivery is confirmed); by overnight courier service; or by United States certified mail, postage paid, return receipt requested, to the following address set forth below:

University of Arkansas System
 Attn: Office of General Counsel
 2404 North University Avenue
 Little Rock, AR 72207-3608
 Fax: 501-686-2517

LAWS, LICENSES & TAXES

Without additional expense to the University, the Vendor shall be liable for and pay all applicable federal, state, and local taxes and shall comply with all local laws, ordinances and regulations and shall obtain and pay for any permits and licenses, unless otherwise specified.

PROPRIETARY INFORMATION / OPEN RECORDS

Proprietary information submitted in response to this RFP will be processed in accordance with applicable State of Arkansas procurement procedures. Documents pertaining to the RFP become the property of the State and shall be open to public inspection after proposal opening. It is the responsibility of the bidder to identify all proprietary information. The Vendor should submit one complete digital copy (thumb drive or CD) of the proposal (marked "COMPLETE COPY") and one redacted digital copy from which any proprietary information has been removed, (marked "REDACTED COPY"). The redacted copy should reflect the same pagination as the original, show the empty space from which information was redacted, and should be submitted on a CD or flash drive, preferably in a PDF format. Except for the redacted information, the redacted copy must be identical to the original hard copy. The bidder is responsible for ensuring the redacted copy on CD/flash drive is protected against restoration of redacted data. The redacted copy will be open to public inspection under the Freedom of Information Act (FOIA) without further notice to the bidder. If a redacted copy is not received the entire proposal will be open to public inspection with the exception of financial data. If the State of Arkansas deems redacted information to be subject to the FOIA the Vendor will be contacted prior to sending out the information.

PERFORMANCE BASED STANDARDS

Arkansas Public Law 557 of 2015 effective 8/1/15, requires the development and use of performance-based standards, including benchmark objectives, during the term of a service-related contract.

Any resulting contract shall contain performance standards that identify expected deliverables, performance measures or outcomes; and payment shall be contingent on the extent to which the performance standards were met.

FORCE MAJEURE

Both parties shall agree that, by reason of strike or other labor disputes, civil disorders, inclement weather, Acts of God, or other unavoidable cause, either party is unable to entirely perform its obligations, such nonperformance shall not be considered a breach of agreement.

PARKING

Parking on the University property by the Vendor's employees shall be governed by the same regulations and fees as applied to University employees. The Vendor will also be responsible for the payment of all unpaid fines levied for parking violations of Vendor's employees.

Vendor's employees will be required to procure a faculty/staff parking permit for vehicles to be used on the UAFS campus.

INDEPENDENT CONTRACTOR AND PRICE DETERMINATION

The Vendor is an independent contractor and shall not be deemed for any purpose to be an employee or agent of the University.

The Vendor certifies by entering into and signing a contract with the University that neither it nor its principals is presently debarred, declared ineligible, or voluntarily excluded from participation in this transaction by any State department or agency.

A proposal will not be considered for award if it was not arrived at independently without collusion, consultation, communication, or agreement as to any matter relating to pricing with any other offeror or with a competitor. In addition, the Vendor is prohibited from submitting multiple proposals in a different form, i.e., as prime bidder and as a subcontractor to another prime bidder.

All pricing will remain firm for each contract period. The Vendor must include a certified statement in the proposal certifying that the pricing was arrived at without any conflict of interest, as described above. Should conflict of interest be detected at any time during the contract, the contract shall be deemed null and void and the Vendor shall assume all costs of this project until such time that a Vendor is selected.

CONTRACT PAYMENT / INVOICES

All invoices shall be forwarded to the UAFS Accounts Payable Office and must show an itemized list of charges by type of service. Payment will be made in accordance with applicable State of Arkansas accounting procedures upon acceptance by UAFS. The University may not be invoiced in advance of delivery and acceptance of any equipment or service.
