

OFFICE OF THE PRESIDENT

CC 119A

Last Tuesday, the Student Government Association passed Resolution 22-01 at the General Assembly meeting. This resolution observes the 20th year since the attacks on the World Trade Center in New York in 2001. In association with LionHeart, the SGA helped to plant the 3000 flags on the campus green to represent the 3000 lives lost.

A commemoration ceremony is set to take place on Friday, September 10, 2021 at 11 AM. The speakers at the memorial will recount the pain, resilience, and hope of the American spirit after 9/11. We cannot forget the significance of that tragic attack.

While we remember lives, we must also remember the courageous acts carried out by some of the bravest individuals of our nation. So many lives were saved by the firefighters, police officers, paramedics, and military personnel who served their country fearlessly. It is important not only to remember the first responders and soldiers who risked their lives, but to thank them for the vital role they play in protecting us. These incredible men and women don't only serve us in days of tragedy, but every day in our lives.

Join us in remembering the lives lost and the heroes of 9/11.
