II. Student Learning Outcomes

A. Subject Matter

Upon completion of this course, the student will:

1. Discuss the purpose and mechanism of the national, state, and regional dental hygiene board examinations.
2. Interpret the rules and regulations of the Arkansas State Dental Practice Act.
3. Discuss and evaluate dental practice acts and rules and regulations, including the functions and power of State Boards of Dentistry, as well as current issues that boards deal with in dentistry/dental hygiene.
4. Discuss the legal and ethical considerations of dental health practices.
5. Discuss and understand the need for continued professional development.
6. Develop an effective resume and cover letter that can be used in the job

- searching process.
7. Effectively participate in a job interview relying on techniques learned in class.
 8. Compare and contrast various recall/recare systems used for tracking patient appointments as preparation for assuming responsibility for the dental hygiene department in clinical practice.
 9. Explore and discuss the importance of sound financial planning for healthcare professional as preparation for gainful employment as a dental hygienist.
 10. Discuss the various aspects of leadership and being a leader and the role of the dental hygienist as a leader in the dental office.

B. University Learning Outcomes

This course enhances student abilities in the following areas:

Analytical Skills

Critical Thinking Skills: Students will work in small groups on a project regarding recall/recare systems. Collaboratively, students will gather the necessary data, analyze it, and present the information to their peers.

Communication Skills (written and oral)

Students will communicate effectively with dental professionals from the community through scheduled interviews with dentists.

Ethical Decision Making

Through class participation and completion of a written paper, students will develop and demonstrate a personal values system based on ethical and moral choices, respect for others, citizenship and personal development.
